BRONZE MAUSOLEUM CRYPT AND NICHE PLATE POLICY
Policy and Procedures

- Policy** To establish policies and procedures for the design of the Bronze Mausoleum Crypt and Niche Plates.
- Purpose** To avoid confusion and allow for consistency and uniformity in the design of the Bronze Mausoleum Crypt and Niche Plates identifying those entombed or inurned in the Mausoleum.

All Bronze Mausoleum Crypt and Niche Plates are to be purchased by the Owner of Burial Rights on record with the office of Alta Cemetery District, located at Smith Mountain Cemetery.

Visalia Granite & Marble Works, located in Visalia, California, is the approved Monument Dealer of the Bronze Mausoleum Crypt and Niche Plates to ensure consistency and uniformity of design.

All Bronze Mausoleum Crypt and Niche Plates must be of the same design.

Wording on Bronze Mausoleum Crypt Plates may include titles, rank, or terms of endearment, as well as name, date of birth and date of death of decedent.

Bronze Mausoleum Crypt Plates may include one (1) or two (2) bronze vase holders with plastic vases.

Wording on Bronze Mausoleum Niche Plates may only include the name, date of birth and date of death of decedent due to the limited amount of space.

Bronze Mausoleum Niche Plates may include only one (1) bronze vase holder with plastic vase due to the limited amount of space.
