OPERATING AND VISITOR RULES AND REGULATIONS

We ask that all visitors remember that Smith Mountain Cemetery is a cemetery, not a public park. For many of our visitors, a visit to Smith Mountain Cemetery is symbolic of their remembering loved ones with love and affection. Everyone's behavior should be guided accordingly.

The rules below are not necessarily complete and are subject to change without notice.

Alta Cemetery District is a special public cemetery district governed by a Board of Trustees that has statutory authority to exercise all rights and powers to own, operate, improve and maintain the cemetery. The California Health and Safety Code along with other California statutes has empowered the Board to adopt said rules and regulations. These Rules and Regulations shall be reviewed annually by the Board; however, the Board can make amendments to these Rules and Regulations at any time.

The control and maintenance of the Smith Mountain Cemetery grounds is vested in the District's Board of Trustees. **Interment right owners, guests and visitors are entitled only to those privileges within the Cemetery grounds as provided by these Rules and Regulations.**

OPERATING RULES:

1. Alta Cemetery District, its Board of Trustees, the District Manager and all other personnel of the District shall not be responsible for injury or damage suffered by any persons, including children, in their use of the Cemetery grounds. Any person visiting the Cemetery shall do so at their own risk.
2. The Board of Trustees shall employ a District Manager and such other employees as it may determine to be necessary or useful in the operation of the District.
3. The Board reserves the right to make improvements to any portion of the cemetery grounds at any time.
4. The Cemetery or its employees shall not be responsible for any items whatsoever left on Cemetery property, including but not limited to anything of a breakable or moveable nature that becomes broken or stolen, including flowers or decorations.
